## Information Concerning Wells

---

If you would like to put in a **WELL** please check with the following agencies:

1. **Santa Clara County Department of Environmental Health** [www.ehinfo.org](http://www.ehinfo.org)  
1555 Berger Drive, Suite 300, San Jose, CA 95112-2716 (408) 918-3400
2. **Santa Clara Valley Water District Wells and Water Production Unit**  
5750 Almaden Expressway, San Jose, CA 95118-3686 (408) 265-2607, ext. 2660

You should also contact the water district who serves your property:

- ❖ **Purissima Hills Water District** [www.purissimawater.org](http://www.purissimawater.org)  
26375 Fremont Road, Los Altos Hills, CA 94022 (650) 948-1217

-OR-

- ❖ **California Water Service Company** [www.calwater.com](http://www.calwater.com)  
949 B Street, Los Altos, CA 94024 (650) 917-0152

The Planning Department will need to see a Site Plan showing the location of the proposed well. If the well will result in any above-ground structures, it must be located outside of the setback area which is 30' from the side and rear property lines and 40' from the front property line. Once you have received approval from the Planning Department, you will need a plumbing and electrical permit from the Building Department (\$130.00 application fee)
